

Fintry Community Council Housing Questionnaire Comments

Comments were varied and all equally valid, but the quantity necessitates them being treated as a whole. Therefore it was thought helpful to make a list of some of the common themes raised (in general order of number of times raised) and provide the complete unabridged file of returns to be read alongside. Available at the FCC meeting 12th Sept.

There is a demand for more low cost affordable housing in Fintry.

No comment

Concern about people from Fintry securing them

Doubt if there is any need

No good without improved infrastructure

Approval of the statement

Opposition to the statement

Approval of the statement but with some reservations

Desire for sustainable housing

For rent not purchase

Concern about type of people

Should be SRHA

Stirling Council should buy existing properties

Any other comments.

Appreciation of Fintry as it is, concern about losing its character

Unsuitability of Menzies due to sewage capacity

Some development desirable

Opposition to development due to lack of infrastructure

Unsuitability of Menzies due to flooding

40 houses are too many

Comments on type of housing

Unsuitability of Menzies due to road/traffic situation

Suggest alternative areas

Development desirable on Main Street

Happy with FCC handling

Unhappy with FCC, consultation process, survey

Unhappy with Stirling Council policy

Appeal for smokeless zone

Confusion about low cost vs. affordable housing

View from Castle would be spoilt
